Amy Segami, a Distinguished Toastmaster, National Speakers Association member and a Board Member of the NSA Illinois Chapter, also known as the TEDx expert in Chicagoland, will share her experience and vision for this project. As the founder of TEDxIIT, the longest running independently organized TED event in Chicago since 2010, Amy will provide an overview and guidelines based on her experience. She was invited to speak at the inaugural TEDxPeachtree in 2009, to attend TEDGlobal 2015 and TED Summit 2016. Her webinar on "How To TED Your Way to the Global Platform" broke the attendance record.
